Peter/Michael,

Not sure if you got these as I sent them while traveling so they may not have gone through – but here are the actual cash balances for 2012.

Please let me know if you have any question. Considering we'll need multiple signatures let's try to get these FBARs down by next week.

All:

Further to our various discussions we are working on the FBARS for the group. We expect to have the FBARS ready for circulation on Monday.

In addition, as Adam and I just discussed, we will need to obtain EINs for the various general partnerships as EINs are necessary for the FBAR filings with respect to those entities. We will move that forward and get the necessary EINs.

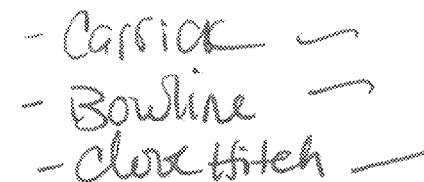

As you recall, the General Partnerships that were formed effective last year are as follows:

 Rajan Investments General Partnership - Quantek  
 Raubritter General Partnership - Quantek  
 Free Street General Partnership - Trio Investors  
 Pension and Retirement Plan Investments General Partnership - Other U.S.  
 Lion Advisory General Partnership - Quantek  
 California Catalog General Partnership - Quantek  
 Delvian General Partnership - Quantek  
 Mill River General Partnership - Quantek

In addition, these general partnerships will need to file income tax returns to the extent they required to file in a given. We will need to determine whether the partnerships needed to have filed returns for 2012 – and if so we will then coordinate having those returns filed. I have cc'd Ron Carlen on this email so that he is aware of the existence of these partnerships.

Let me know if you have any questions.

Regards,  
Peter
